Promoting Sustainable Hillside Agriculture

Submitted by lbork on November 13, 2015

Raymonde Moise, Mathilia Andrien, and Anita Mertil, members of the Furcy Association of Women Farmers, weed a carrot field. A Feed the Future project provides technical assistance and support to farmers in the Kenscoff region of Haiti to implement sustainable agricultural practices on hillsides by focusing on improving production techniques to increase yields and improve farmer incomes. *Photo by David Rochkind*
